

SERCO AARO HP HIGH-PRESSURE WASHER

Compact and versatile washer!

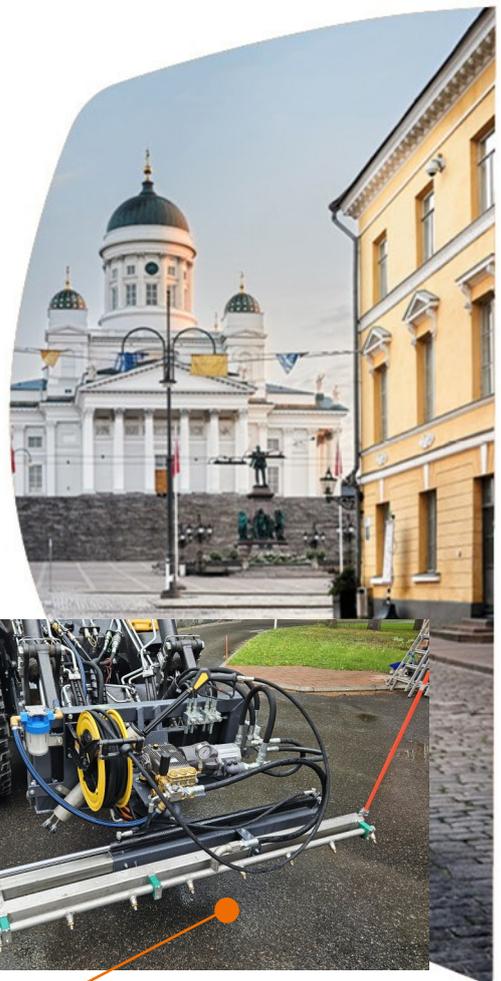

- A hydraulic high-pressure washer with a manual pressure washer. Compatible with various water tanks.
- Compatible with all common loaders and tractors.
- Combine this washer with SERCO Aaro transport tanks to build a compact solution for your multi-function machine.
- Versatile package: a spray pipe with hydraulic side shift and slewing.
 - Side shift +/- 500 mm
 - Slewing angle 25°/25°
- Includes a pressure washer handle and a 20-metre hose reel
- Hydraulic demand:
 - Engine hydraulics mx. 70 l/min or 140 l/min (water pump)
 - 2 x 2 operated cylinder hydraulics (slewing/side shift)

Standard equipment:

- Quick coupler with welded hooks (customer's choice)
- Hydraulic quick couplers (customer's choice)

Optional extras:

- Control system for one hydraulic hose pair

Spray pipe side shift and slewing as well as a manual pressure washer for reaching difficult spots as standard equipment.

MODEL	Product number	Washer boom width	Side shift	Slewing angle	Engine hydraulics requirement max.	Pressure washer output	Weight
Aaro 30HP	605650	1826 mm	+/- 500 mm	25°/25°	70 l/min	30 l/min ~200 bar	220 kg *
Aaro 85HP	606172	1826 mm	+/- 500 mm	25°/25°	140 l/min	85 l/min ~150 bar	300 kg *

* The weight varies slightly depending on the coupler type
